Choosing Activities

These links provide information to further help you to decide your activities.

https://www.dofe.org/do/ideas/

https://www.dofe.org/do/sections/physical-faqs/

https://www.dofe.org/do/sections/volunteering-faqs/

https://www.dofe.org/do/sections/skills-faqs/

- Keep your password safe.
- Don't pick a similar activity for all of your sections.
- Improving 'football skills' is a physical not a skill section activity.
- Volunteering must be for a charity or 'non for profit organisation' not a business. A family farm is a business!
- You can 'back date' your sections to the start of September.
- Your assessor cannot be a family member, you could instead ask your tutor for activities like cooking at home.
- Make sure you include your assessor email or phone number

- Once your programme planners have been approved you can start your sections.
- You must record evidence to ensure you meet the timescales

Timescales – minimum commitment

Bronze $- \frac{6}{3}/3 - 6$ months @ 1 hour per week = 26 hours

- 3 months @ 1 hour per week = 13 hours

Silver $- \frac{6}{6}/3 - 6$ months @ 1 hour per week = 26 hours

- 3 months @ 1 hour per week = 13 hours

Gold $- \frac{12}{12}/6 - 12$ months @ hour per week = 52 hours

- 6 months @ 1 hour per week = 26 hours

Collecting Evidence

- Your evidence can be in a variety of forms:
 - You can upload photographs, excel and word documents
 - You could create a PowerPoint with one slide for each week's achievements
 - Include screen grabs if you are doing any online courses

Your evidence is important but the final Assessor Report is even more crucial.

Once you have completed the hours for the volunteering, physical and skills speak to your assessor asking them to complete the Assessor Report

- There are two options for this:
- Email them your details for an electronic report
- Hand them the Assessor Report card

Assessor Report

The report will:

- Comment on your commitment, character and skills learned
- Confirm you have completed sufficient hours

Points to check:

- Assessor name on the programme planner must match the Assessor Report name
- Dates must also match, the section can take longer but not less than the 3/6/12 months required

A useful template (please delete and edit as appropriate) Dear (Mr Bower)

Earlier in the year you kindly agreed to be my Assessor for my (Bronze/Silver/Gold) Duke of Edinburgh's Award (physical/volunteering/skill) section. I have now completed the required time commitment and would be very grateful if you could please spare some time complete an online assessor report?

The report can be accessed via this link: https://www.edofe.org/assessor/ My details are as follows: Participant ID number: (???????????) WMB note for participants - you can find this on the sticker on your DofE folder or in the top left corner on your eDofE account. Level: (Bronze/Silver/Gold) Section: (physical/volunteering/skill)

There is some guidance on the link on how the report can be filled out, plus some examples. I have (exceeded/met) the time commitment (13/26) hours for this (3/6) month section. Please could you make a statement on the report that I have 'met the time commitment required for this section'?

I have met my goal and really enjoyed taking part in this activity. My highlight was (...). Thank you for being my assessor and taking the time to complete this form. If you have any questions, please don't hesitate to ask me.

Note: If you have a problem with the CAPTCHA code, please use a different device/network/browser and this should solve the issue. If not, please contact edofe@DofE.org.

- Please include the start and end dates between which the young person undertook their activity.
- Expedition Assessors: Please include your assessor accreditation number and (if applicable) the team's expedition notification number in your report.
- Download a summary of what to include in your report, and some example reports here
