

Come and feel the magic...

People tell us about the 'invisible magic' they feel when they come to Princethorpe College, which sets us apart from other schools. We believe this stems from our Christian ethos and strong sense of community, combined with fantastic learning opportunities both inside and outside the classroom.

Our dedicated staff put our pupils on the road to happy and fulfilled lives by nurturing their individuality and social development and helping them achieve excellent exam results.

Scholarships and bursaries are available.
